

A 10x10 grid of squares, each either red or light gray. The pattern is abstract and pixelated, with red squares forming various shapes and lines against a light gray background. The distribution of red squares is as follows (row by row, from top to bottom):  
Row 1: (1,1), (1,3), (1,4), (1,5), (1,6), (1,7), (1,8), (1,9)  
Row 2: (2,1), (2,2), (2,3), (2,4), (2,5), (2,6), (2,7), (2,8), (2,9), (2,10)  
Row 3: (3,1), (3,2), (3,3), (3,4), (3,5), (3,6), (3,7), (3,8), (3,9), (3,10)  
Row 4: (4,1), (4,2), (4,3), (4,4), (4,5), (4,6), (4,7), (4,8), (4,9), (4,10)  
Row 5: (5,1), (5,2), (5,3), (5,4), (5,5), (5,6), (5,7), (5,8), (5,9), (5,10)  
Row 6: (6,1), (6,2), (6,3), (6,4), (6,5), (6,6), (6,7), (6,8), (6,9), (6,10)  
Row 7: (7,1), (7,2), (7,3), (7,4), (7,5), (7,6), (7,7), (7,8), (7,9), (7,10)  
Row 8: (8,1), (8,2), (8,3), (8,4), (8,5), (8,6), (8,7), (8,8), (8,9), (8,10)  
Row 9: (9,1), (9,2), (9,3), (9,4), (9,5), (9,6), (9,7), (9,8), (9,9), (9,10)  
Row 10: (10,1), (10,2), (10,3), (10,4), (10,5), (10,6), (10,7), (10,8), (10,9), (10,10)  
The pattern is dense and irregular, with red squares appearing in most rows and columns, creating a complex, non-repeating visual texture.
